SIWG Expectations

Rapidly delivering war-winning capability

- **Integral part of overall integration strategy**
- **Force synergism**
  - **Only forum that brings together AO level representation from across entire community**
- **Program success depends on whether forum can:**
  - **Identify critical integration issues & concerns**
  - **Assign actions to appropriate poc(s)**
  - **Analyze all possible solutions/alternatives**
  - **Follow through with commitments**
  - **Bottom line: Solve Problems**
- **Communicate, Communicate, Communicate!!**
